

July 13, 2018

Dear Shareholder:

Direct deposited into your account on July 13, 2018 was \$3.08 per share. This represents 50% of our **taxable** income for the second quarter of 2018. For comparison purposes, the combined amount (\$6.30 per share) for the first two quarters has increased by 10 cents per share this year as compared to 2017 (\$6.20).

In a quick summary of our financial performance, year to date income for the Bank totaled \$1,120,000. This compares to \$1,073,000 for the first six months of last year. Our performance through the first half of the year has us well on pace to meet or exceed 2017's earnings.

Our Lyon County Branch has been open since mid-February and we are pleased with the performance of that market thus far.

As always, we appreciate your support of United Bancorp of Princeton, Inc., and invite you to consider Farmers Bank & Trust Company for your banking needs.
